

Just Because

There doesn't have to be a reason to send flowers... sometimes you can do it just for fun! We show you some alternative ways to say hi to your special person.

A tiny pink pot filled to the brim with roses, alstroemeria and loops of Bear Grass.

Topiary trees with a difference made from extra long Alstroemeria.

Callas are incredibly sexy and long lasting ... in a hand tied like this they're stunningly beautiful as well.

Tropical flowers, like these amazing Birds of Paradise, are a fab way of bringing the Latin American sun over to England.

Carnation Cubes. Modern, funky and absolutely perfect for desks.
